VOMARC Wednesday Night Net – Net Control Script
Revised by Stan NJ6E, December 29, 2014

Pre-net (7:28 pm): This is [name], [call]. The Valley of the Moon Amateur Radio Club weekly net will begin in two minutes.

Welcome to the Valley of the Moon Amateur Radio Club Wednesday night net. This is [name], [call], net control station for tonight. This net meets weekly at 7:30 pm, with the exception of meeting night, which is the third Wednesday of each month. Club meetings are held at 7:30 pm at the Sonoma Police Station Emergency Operations Center, 175 First Street West, in Sonoma. Information related to upcoming meetings is announced on this net, in the monthly newsletter, and on the club's website, vomarc.org.

The purpose of tonight's net is to discuss business and events related to the activities of the club. New members to the club are welcomed and encouraged. Anyone wishing more information on VOMARC should check out the club's website, vomarc.org, or may direct inquiries to the net control station.

Is there any urgent or emergency traffic for the repeater at this time?

Nothing heard. Check-ins to the VOMARC net are taken according to first letter following the number in your call sign. Member check-ins will be taken first, followed by visitor check-ins.

- At this time, stations with call sign suffix letters Alpha through Juliet may check in *(each check-in acknowledged);*
- Call signs with suffix Kilo through Romeo are invited to check in;
- And call signs Sierra through Zulu, please check in now;
- Any additional members, call sign suffix Alpha through Zulu, please check in.
- Are there any visitors on frequency who would like to check into the VOMARC weekly net?

At this time, we will request announcements from club officers present on tonight's net.

President – Frank KG6N *(2015 officers shown)*
Vice President – Scott KJ6QIQ
Secretary – Dave KD6FIL
Treasurer – Eileen KG6QNT

Radio Officer – Mike WB6TMH
Training Officer – Jim K6UUW
ACS Coordinator – Ken N6KM

Are there any other stations on frequency with announcements for the net?

Are there any stations not previously acknowledged, either members or visitors, who wish to check in to tonight's net?

One final call for any stations on frequency with questions or announcements for the net.

This concludes the Valley of the Moon Amateur Radio Club weekly net. The repeater is now returned to normal use. Thanks to all who checked in. This is [name], [call], clear.
